Dear Parents and/or Guardians:

We are enforcing a strong electronics policy at Teen Camp this summer. All electronics brought to camp (including but not limited to iPods, cell phones, electronic games) are to be brought to camp **at your own risk**. Any items lost, stolen or broken at camp or on a camp field trip are not the responsibility of Bethel Parks and Recreation or any of the employees.

We are also, enforcing a strong cell phone policy at camp. We strongly urge that you avoid sending your child to camp with his/her cell phone; however we understand that sometimes one is necessary. If your child brings a cell phone to camp, it is to be kept in their bag and is not to be used during camp hours. There is a phone in the Parks and Rec. office for emergency use if needed. If a camp employee sees your child on his/her cell phone it will be taken away and brought into the Parks and Rec. office for the rest of the day. If a second offense occurs it will be brought in the office and the parent will be notified and asked to come to the office to pick up the cell phone at the end of the day.

Thank you for your cooperation.

I have read the above letter and understand the electronics and cell phone policy for Teen Camp.
